SOUP LUNCHEON THANKS!

Many thanks to all who helped with the WELCA sponsored Soup Luncheon last Sunday. We especially thank the wonderful cooks who supplied such a delicious variety of soups & desserts. I think we had something for every taste & good fellowship besides. We also thank those who helped serve, wash dishes & set up the event. The total donations raised of \$1,128.00 will go directly to the principal balance of Kimball's Mortgage Loan! Thanks to your generosity this additional money going directly against the principle means we will pay \$370.00 less in interest over the course of the loan.

Way to go Kimball! Good Stewardship!

ELECTRONIC GIVING OPTIONS

Kimball now provides a number of different options for our congregation to electronically present their offerings to the church.

ACH Transfer – Individuals can work with their individual bank to set up automated transfers from a selected account to Kimball's checking account at Wells Fargo. These transfers can be scheduled to occur at whatever frequency and amount the individual desires.

Bill Pay – Most banks today offer a bill payment service with re-occurring feature. Individuals can set up their offering as a bill, and a check will be issued from that account and mailed to Kimball. The frequency of the check issuance and the amount of the check is determined by the individual and is easily changed.

Tithely (thru kimballchurch.org) – By going to our church website, individuals can present offerings thru an electronic service provided by Tithely. The offerings can be set up as a one-time event or as re-occurring. There is a charge for this service and the individual has the option of paying the charge, or the amount will be deducted from the offering when sent to Kimball.

Electronic offerings set up by our previous provider, Vanco, will remain in place and the change to Tithely will have no impact on these items. If you would like any more information about any of these options, or assistance in getting one of the options set up how to get them set up, please see any member of the finance team, or contact the church office.
