In your bulletin each week, you find a Connection Card. It is VERY important for you to fill it out each week so that we have a record of you being here and whether or not you received Holy Communion. If your personal information has not changed, you do not have to list it, but please make sure you have your NAMES on it. This information is very important for our church records....speaking of that—If you have become a **new member** in the last few years and you have not turned in your **membership form** that you received with your welcome packet, please do so as soon as possible. We want to make sure the information we have on file is correct, as we will be doing the new pictorial directory in the Fall.

Thanks!-Gail Mosher, Church Office Manager
